Category: Windows software Rafael Nadal will go up against Lucas Pouille at the Cincinnati Open this year. Nadal is by far the greatest clay court player of all time and gets a tough match-up against Pouille, who is still unproven on the red dirt. This is not the first time Nadal will compete at the Cincinnati Masters, but this will be his first match on clay in four years. He has never won a Masters match on clay. The last time he played there was in 2013, when he beat the Spaniard Roberto Bautista Agut in straight sets. Nadal has won four titles at the event and five overall. Nadal has never lost on clay at the event in his career, and he's 3-0 against Lucas Pouille. Though Nadal is currently having a great year, he has had plenty of his bad moments as well. He will have to be extra
