be supplied by the UDT installer as a trade-off for free installation. The other side says that you are  
not required to supply hardware, but do your own installation and are responsible for any damage or  
lack of performance. The UDT installer will recommend the hardware and installation, but this is not  
mandatory. If you have any questions regarding your UDT installation, please contact the UDT  
coordinator at, or email. Other details on the How-to-install-UDT guide can be found here. X Please
